## CANCELLATION COVER PROVIDES PEACE OF MIND

With Auto Europe, your clients can easily cancel their car rental up to 48 hours before pick-up, but problems and additional costs may occur when the cancellation is within 48 hours of pick-up. We understand these situations are costly and would like to announce that Cancellation Cover is now available for your clients.

**Cancellation Cover** is an easy and affordable way for your clients to safeguard their car rental purchase when they need to cancel within 48 hours of pick-up. When Cancellation Cover is purchased, Auto Europe will refund the total rental, or a pro-rated portion of the daily booking price, if your client cannot pick up their vehicle or needs to return it early as a consequence of any of the following:

- Travel delay and late arrival.
- Incapacity of the renter through accident, bodily injury, or sickness.
- Government-imposed travel ban or quarantine imposed in the 48 hours before the rental commencement or during the rental.
- All strikes, including airline & air traffic control strikes, etc.
- Adverse weather events, including snow, fog, frost, storms, hurricanes, or volcanic ash.

Adding Cancellation Cover when booking cars for your clients is easy. Just tick the "Full Flexibility" box next to the rate you are booking as indicated by the red arrow in the sample below.
